LPS Monthly Report Lethbridge Police Commission SEPTEMBER 2025

The Lethbridge Police Service is committed to providing a safe community for all. Monthly highlights from each division that contribute to our organizational priorities – community safety, community engagement and healthy organization – and in line with our annual policing plan goals:

- *Reduce crime*
 - *Increase capacity by reducing police response to calls that can be alternatively reported and do not require the attendance of an officer*
 - *Increase citizen perceptions of safety*
 - *Increase community crime prevention initiatives*
 - *Increase satisfaction with LPS*
 - *Increase visibility within the community*
 - *Promote information-sharing and collaboration with partner agencies*
 - *Enhance employee health and wellness initiatives*
 - *Increase diversity within the organization to better represent the community we serve*
 - *Enhance technology to address security issues and keep pace with organizational needs*
-

FIELD OPERATIONS DIVISION:

- Members of the Traffic Response Unit (TRU) participated in the School Traffic Safety Project, which included walkabouts during the opening bell at numerous elementary schools to observe infrastructure, parking or sign issues that needed to be addressed to prevent collisions or injuries.
- With the ongoing Canada Post labour dispute, the TRU is exploring alternative options for delivering photo radar tickets to offenders.
- The TRU is looking at applying for new photo radar sites in response to citizen concerns in problem areas.
- Several vacant positions have been filled within the Community Engagement Unit – Community Engagement Officer and two Youth Engagement positions.
- Members of the Downtown Policing Unit assisted with encampment clean-ups throughout the summer and conducted multiple enforcement projects targeting drug trafficking and unwanted behaviours.
- Over the summer, members of The Watch contributed nearly 300 volunteer hours which included response to multiple medical events, police events and attendance at various community events and meetings. Response to police events resulted in two missing persons being located, a stolen bike recovered, drugs seized and an impaired driver apprehended.

- Between June and August, the Economic Crimes Unit worked on a total of 28 investigations. During this period, the unit also conducted a fraud prevention presentation, bringing the total number of people who have received presentations year-to-date to 790 people. Additionally, members participated in training and networking opportunities, including one member attending cybersecurity training in Calgary.

LPS Monthly Report

Lethbridge Police Commission

SEPTEMBER 2025

- For the period of June 1 – August 31, the Governance and Compliance Unit reviewed/updated/created and published seven directives:
 - Traffic violations
 - Police service dogs
 - Employee off-boarding
 - Virtual opioid dependency program
 - High risk and dangerous offenders
 - Duty to warn
 - Disclosure of police misconduct
- The Victim/Witness Services Unit (V/WSU) had their annual public access testing hosted at LPS in August. Dogs With Wings Director of Canine Operations, Chihiro Webb, spent the day assessing the dogs for fitness, service capacity, skills and willingness to work. Both dogs have been approved for continued work in their respective roles – DWW Kourt focusing on internal wellness and interacting with LPS staff and DWW Cruiser interacting with the community and serving victims through the interview and court proceeding processes.
- V/WSU was honoured to participate in the Lethbridge Pride Parade once again this summer. This day of celebration is one that the unit has happily supported and genuinely appreciates the opportunity to be with the community.
- With summer ending, the V/WSU now is focused on recruiting. Overall volunteer retention was up in 2024/2025 and as a result, the unit will only need to recruit about 15 new members to get back to full capacity. Typically, 20-25 people are needed each year. This increase in retention allows the unit to have a stronger knowledge base and meet the varied needs of the community effectively.

- 3.1 The Lethbridge Police Commission is the civilian body to which the Lethbridge Police Service is accountable. The Commission is a statutory body created by the Police Act and City of Lethbridge Bylaw to oversee policing in the City. Lethbridge City Council appoints members to the Police Commission.

The members of the Police Commission make decisions and issue instructions as a statutory body.
- 3.3 Under the Police Act the Commission is responsible to appoint and monitor the Chief of Police, establish policing priorities and policies, allocate funds provided by the Council and monitor public complaints against the Police. The Police Commission issues directions to the Police Service through the Chief of Police and those instructions must be consistent with the statutory duties and responsibilities of the Chief of Police under the Police Act. The Chief is responsible for the day-to-day operations of the Police Service.
- 3.4 The Police Act preserves the Chief's independence to uphold the law; to provide Police service to the City; and to manage the Police Service while making the Chief accountable to the Commission for the operation of the Police service, the manner in which the Chief's responsibilities are carried out and the administration of finances allocated to the Service by the City, through the Police Commission.

In the event an interim solution is required before the vacancy is filled permanently, the following options could be considered to appoint an interim Chief of Police:

- 2.2 Appoint the Deputy Chief or an Inspector, to be determined by Commission, as the Interim Chief of Police; or
- 2.3 Appoint the Deputy Chief or Inspector(s) on a month-long rotation as the Interim Chief of Police.
